

An Artfully Fun Party Event at the Doodle Zone!

**The Doodle Zone specializes in creative parties that
are fun for the kids and easy for mom and dad!
What more could you ask?**

Details:

- An hour and a half of artistic fun! You can choose from a list of projects and activities or let us create a project for you. The first hour is devoted to the craft project or activity and the next 30 minutes are for food/cake and presents. Each child goes home with their own creation!
- Parties are available for ages 5-12 only. We have found that children younger than 5 often do not have the attention span to do an "art" party. Due to the nature of an "art" party, it is important that birthday child and guests alike meet the required age limit. While we would love to accommodate everyone, younger siblings are often too young to participate in the agreed upon project, so we ask that you make alternative plans for them during the party.
- Children are welcome to visit the toy store as long as they are accompanied by a parent, otherwise all guests will be contained in the Doodle Zone.
- The birthday child will receive a handmade birthday card created by his/her own guests and a \$5.00 gift card for Snapdoodle Toys.
- You will receive free invitations with directions to send to invitees. There is a maximum amount of 15 guests per party.
- All parties are provided with two employees who will present the art project, assist with cake cutting/serving and presents, and take care of all set up and clean up.
- You are free to bring your own party-ware or use ours.
- You bring the cake and treats or pizza and drinks are available from Jet City Pizza for an additional fee. Ask us for the details!

Cost:

- The party's base cost is \$200.00 for up to 10 children. Each additional child will require an \$8.00 fee. Additional fees may be charged for supplies if creating a specially requested theme.
- Face painting is available for an extra fee.
- There is a \$50.00 non-refundable deposit due to hold reservation. We accept Visa, MasterCard, Discover, Debit, or Cash only. No personal checks.
- In the event that your party is cancelled due to an emergency, you can reschedule within the next 60 days at no cost.
- If a party is cancelled within 3 days of the party, there may be an extra charge for materials incurred.
- While we provide cover-ups for the projects, we are not responsible for any damage to clothing or personal items while attending a party.

Here are some popular birthday party ideas for ages 5-12!

-Dig It!

Boys especially enjoy excavating medieval knights, fearsome pirates, or ferocious dinosaurs to take home.

-Mirror Image

Each child gets his or her own mirror to paint and decorate.

-Flip Flop Party (Summer Only)

Design and decorate your own fashionable pair of flip flops.

-Collage Art

Paint a wonderful background on canvas, and then create a collage silhouette of your favorite animal to star front and center.

-Paper Lanterns

Make your personalized paper lantern and decorate it with beautiful ribbons to take home.

-T-Shirt Art

Use fabric paints to create a t-shirt to express your personal style. T-shirt sizes are needed 3 days in advance to make sure the shirts fit the guests.

-Tie Dye Shirts (Extra \$2.00 charge per child)

Guests will learn creative ways to create tie dye patterns using knots and rubber bands. Shirts do go home wet, but directions are provided.

-Lego Party

Engage in playing a variety of Lego-themed games such as Creationary and/or Lego Bingo. Followed up by free time to explore the large trunk of Legos we have.

-Potted Plant Pal

Guests will decorate a pot and plant their own pal to take home.

-Harry Potter Party

Guests will create and personalize their own magic wands and another Harry Potter themed craft or activity to suit the birthday child.

-Dress Up/Tea Party (Starting Fall 2012)

Guests dress up and have a tea party. They will complete an assortment of activities to suit the Birthday child.

Specialized birthday parties are available upon request.

Face Painting is available for an additional \$15.
